## SOFTWARES

## ABOUT ME

I'm a creative video editor with a passion for storytelling through dynamic visuals. I specialize in transforming raw footage into compelling narratives that resonate with audiences. I have a keen eye for detail, excellent storytelling skills, and a deep understanding of pacing, sound design, and visual effects. Whether it's for social media, film, or branded content, I thrive in fast-paced environments and am dedicated to delivering polished projects on time.

## WORK EXPERIENCE

2021 - 2022

**Empirical F & M Academy Private Limited**

I was responsible for editing educational videos, transforming complex lessons into visually engaging content for online courses. Collaborating with educators, I applied creative editing techniques, including motion graphics and animations, to enhance learning experiences.

2022 - 2023

**Gyaan.com**

I edited educational videos that transformed complex topics into engaging and easy-to-understand content. By collaborating with content creators and using creative editing techniques, I enhanced the visual appeal of the videos, making learning more interactive and enjoyable.

2023 -  
**Currently  
Working**

**Getsetfly Media**

I edited explainer videos that incorporated motion graphics and 3D elements to effectively convey complex concepts. By blending engaging visuals with clear narration, I created content that not only captured the audience's attention but also facilitated better understanding of the subject matter.

**Since 4 Years**

I have been freelancing as a video editor, working on diverse projects for clients across various industries like Youtubers, Instagram Creators, etc.
